

Senate Bill 9 was passed on October 5, 2007 by the 80<sup>th</sup> Legislature and mandates that TEA acquire criminal history reports on charter school employees, certified and currently employed educators, substitutes, and non-certified employees hired after January 1, 2008.

In order for Pampa ISD to be in compliance with this bill, all employees hired after January 1, 2008 will be fingerprinted by L-1 Identity Solutions. You will be able to start working when your fingerprints have been taken, but your job is contingent upon the results of the fingerprint process.
