Families were greeted and directed to sign in at a table located in the PJHS Foyer. Snacks and water offered at this time. An assembly line was created of those that would apply tape to student name tags and those that would put the names on the wall in alphabetical order. Families, especially students, enjoyed seeing their names and the names of their friends. Families were free to come & go but all stayed until the names were up! All seemed to have a great time and voiced their appreciation of the recognition for these students in this way!
