

# GED Test

---

Clarendon College Testing Services administers the GED for high school equivalency certification. The GED test measures high school level proficiency in four areas: Reasoning through Language Arts, Social Studies, Science, and Mathematics. Separate publications are available which describe the content of each part of the test.

**The American Council on Education issues a warning regarding FAKE Online GED Testing Credentials. Please research any programs that make claims of high school equivalency programs.**

Preparation is the key to success on the GED test. Practice with GED prep materials at [www.ged.com](http://www.ged.com)

**GED Prep Courses are now available and FREE.** For more info, email David Hall at [david.hall@clarendoncollege.edu](mailto:david.hall@clarendoncollege.edu).

## **Eligibility for Testing:**
