

Turn pop-ups on or off

IN CHROME

1. On your computer, open Chrome.
2. At the top right, click More .
3. Click **Settings**.
4. At the bottom, click **Show advanced settings**.
5. Under "Privacy," click **Content settings**.
6. Under "Pop-ups," select an option:
 - **Do not allow any site to show pop-ups (recommended)**
 - **Allow all sites to show pop-ups**

IN IE (internet explorer)

When you go to a site that is blocked you can allow it in the bar that is displayed at the bottom. If you don't see this you will have to go to the settings found in the Internet Options and Privacy Tab.
