Families were welcomed and directed to sign in hallway outside of cafeteria. Each student was given a packet that included Building a Reader at Home in English and Spanish as well as a Merry Christmas Mad Libs packet with mad libs and word search puzzles. Families were again welcomed by Charlene Gee and they were told of the different activities: Cookie decorating table, ornament craft table to pick their craft and book station in which every student could pick out a free book. Families seemed to enjoy themselves and we were asked for more than one craft and book in which we allowed towards the end of the night!

Families thanked us and one even asked that we make this a yearly event at Travis. Families were free to come and go and were thanked for coming when leaving! Event extended to about 7:20 when last family left.
