

October 28, 2015

The 2015-16 SHAC Committee met Tuesday, October 27, 2015, 4:30, at the PISD Administration Building.

Attending were:

Daniel Ortner- community member

Patty Davis – parent

Mary Booth – parent

Eddie Gage – Pampa ISD Admin.

The committee reviewed the legal requirements of the SHAC in TEC Section 28.004 and the School Board's expectations found in Board Policy BDF (legal).

The committee was given informational handouts relating to: health topics that are apart of required teacher professional development, a Health Survey given to enrolling students, a new Health Science class offered at PHS, the Employee Wellness Program, a news release from the state health department explaining revised procedures for students diagnosed with head lice, a TEA directive for the training of educators in suicide identification and intervention strategies, and information addressing bullying and cyber-bullying from TEA's office of Coordinated School Health Programs.

The committee's next meeting will be Thursday, Dec. 10, 2015, 4:30, at the PISD Administration Building.

Adjourned.

Eddie Gage

Executive Director of Personnel

Pampa Independent School District
