TRANSPORTATION POLICIES AND PROCEDURES PARENT/STUDENT HANDBOOK

Statement of Nondiscrimination

Pampa ISD does not discriminate on the basis of race, color, national origin, sex, disability, or age
El Distrito de la Escuela Independiente de Pampa (PISD) no discrimina en base a raza, color, origen nacional,
sexo, discapacidad, o edad

Dear Parent:

The Pampa Independent School District provides bus transportation to and from school as a courtesy service for eligible students residing in the District. The State of Texas prescribes the conditions governing school bus operations and funds the service by allotting the District a given amount for eligible students.

Eligible students are defined by State statute as those residing in the District at least two miles from the school they should attend, as measured by the nearest practical route. The nearest practical route is the nearest traveled public road which may or may not be the road used by the school bus. Address eligibility is continually audited. When an address is found to be ineligible (because of street openings, construction changes, etc.), notification will be made as soon as possible with a grace period allowed for parents to locate alternate means of transportation.

In order to meet the conditions outlined by the State and provide safe, prompt movement of eligible students, the School District has adopted standard regulations and procedures and has provided restrictive measures for violations of the rules. They are herein outlined for your information and for the guidance of your child.

The School District is pleased to provide transportation for its eligible students and solicits your assistance in helping create a safe experience. You may do so by reading and returning the acknowledgement page to the campus Secretary. We ask your cooperation in developing proper behavior patterns for the safety of your student and all students who ride the buses.

If you should need information concerning bus routes, please call the Transportation Facility at 669-4995.

If you should need information concerning student conduct on buses, please contact the appropriate Campus Administrator.

Thank you,

Stuart Smith
Director of Student Services

BUS RIDER'S SAFETY HANDBOOK

Parents and Students

The goal of this Handbook is to communicate and assist in helping provide a safe and enjoyable experience for children who ride our school buses. Parents should take the time to read and discuss the materials in this handbook with their children. Riding a school bus is a privilege and should be recognized as such.

- ***Handbook policies acknowledgement signature page is located at the end of this handbook.***

Please sign it and return it to the driver within three days.

Please remember that students may not board an alternate bus without prior authorization from the Transportation Department. Parents must call the Pampa ISD Transportation Facility, not the campus, no later than 12:00pm for an afternoon change, or 5:00pm the day before a morning change.

***Requests may only be authorized if the request procedure is followed and space is available on the requested bus.**

General Safety Rules

1. Follow the instructions of the bus driver and Aide.
2. Board and leave the bus at designated stops only.
 - Please contact the Transportation Facility, if a student needs to change from their designated stop the day before for a morning change and before 12pm for an afternoon change.
 - If this prior authorization is not given the student(s) will not be permitted to change.
3. Only students who are eligible to ride may be transported and must ride their assigned bus.
4. It is the responsibility of the parent to provide transportation to school if a child misses the bus.

Procedures for Waiting for the Bus

1. Be at your bus stop five minutes before scheduled pick-up time. The drivers will wait 2 minutes maximum past the scheduled pickup time.
2. Stand 10' away from the curb while waiting for the bus.
3. Stand 10' away from the bus until it comes to a complete stop.
Please do not approach the bus until the driver has completely stopped and opened the door.
4. If you miss the bus, it is the parent and students responsibility to get to school.
5. Parents please discuss with your children the procedures to follow if they miss the bus.
 - Please call the Transportation Office 669-4995, if possible the bus may return to the stop, **but only if it does not impede the remaining stops.**
6. Students must follow the District rules and regulations concerning conduct and dress code when riding a school bus.

Loading the Bus

1. Please do not push or shove.
2. Use the handrail and steps, so you do not slip and fall accidentally.
3. Go directly to your seat. The bus may not move until all students are seated facing forward. The seats are designed for safety, but they only provide an added measure of safety if you are sitting facing forward.

Unloading the Bus

1. Stay seated until the bus is completely stopped.
2. Use the handrail and take one step at a time when leaving the bus.
3. Wait for your turn to leave the bus; please be patient, pushing and crowding will only slow exiting, and may cause an accident.
4. Stay clear of the bus when the engine is started. Do not chase or hang on to the bus at any time.
5. If any article drops or rolls near or under the bus, do not go after it. Go to the door of the bus and ask the driver for help.

Conduct on the Bus

1. To help provide the safest ride to/from school, Please remain seated, facing forward while the bus is moving. The seats are designed for safety, but they only provide an added measure of safety if you are properly sitting facing forward. Also, it is a Federal Transportation Safety requirement.
2. Do not change seats, unless instructed to do so by the driver or Aide. This helps the driver and aide to know who is on the bus and who isn't on the bus.
3. Do not turn around and face the rear of the bus. Sitting improperly isn't safe and could result in injury if the bus has to make a sudden stop.
4. All riders will be assigned a seat.
 - In the event of an emergency knowing exactly who is on board quickly is vital.
 - In the event of vandalism to a seat the person(s) assigned to that seat will be held responsible.
5. Each student must remain seated for the duration of the trip and remain seated until the bus stops completely at the assigned stop.
 - Federal Transportation Guidelines require that students remain seated and facing forward. Buses and Bus Seats are designed for the riders to be seated and facing forward.

7. Do not throw objects inside or out of the bus.
8. The emergency door and exit controls should not be used by students unless directed to by the Driver or Aide, unless directed to by the Driver or Aide.

9. Students shall never attempt to operate the passenger door or other driver controls except in cases of extreme emergency and at the direction of the Driver or Aide.

The parent or guardian will be contacted and the report will be mailed home for a signature and must be returned to the campus immediately after receiving it.

Should such a situation occur, a conference may be held with the parent, student, Campus Administrator and Director of Student Services.

When this does occur the start time will be 10a.m. (2 hours late).

If the normal pickup time is **7:15a.m.**, the pickup time will be **9:15a.m.** (2 hours later than the normal pickup time).

*Routes outside of the city limits will likely NOT run, when there is a late start.
