### Summer Camp Policy

We are excited about these summer STEAM & Robotics Camp experiences!

In order to reach all of our potential STEAM leaders, we must adhere to certain conduct guidelines to ensure student safety and have the most fulfilling camp learning experience.

We have been fortunate to receive brand new technological equipment to use in our very first summer STEAM & Robotics camps this summer. In order to provide future STEAM & Robotics camps, it is vital we maintain the integrity of this equipment.

Additionally, Pampa ISD Summer STEAM & Robotics Camps' policy to ensure the highest quality of learning and level of safety will follow a "one-strike" rule.

If a behavioral infraction occurs, the student will not be allowed to return to the 2018 Summer STEAM & Robotics Camps.

We look forward to a memorable experience!

Dear Student and Parent:

As required by state law, the board of trustees has officially adopted the Student Code of Conduct in order to promote a safe and orderly learning environment for every student.

We urge you to read this publication thoroughly and to discuss it with your family. If you have any questions about the required conduct and consequences for misconduct, we encourage you to ask for an explanation from the student's teacher or appropriate campus administrator.

The student and parent should each sign this page in the space provided below.

Thank you.

Tanya Larkin-Pampa I.S.D. Superintendent

We acknowledge that we have been offered the option to request a paper copy of the Pampa Student Code of Conduct and Student Handbook for the 2017-18 school year or to electronically access them on the district's website at [www.pampaisd.net](http://www.pampaisd.net). We understand that students will be held accountable for their behavior and will be subject to the disciplinary consequences outlined in the Code.

We have chosen to:

- Request a paper copy of the Student Code of Conduct and the Student Handbook.
- Accept responsibility for accessing the Student Code of Conduct and the Student Handbook on the district's website.
