Student Code of Conduct

Accessibility

If you have difficulty accessing the information in this document because of disability, please contact Jennifer Studebaker, Director of Special Education, at 806-669-4700.

Purpose

The Student Code of Conduct (“Code”) is the district’s response to the requirements of Chapter 37 of the Texas Education Code.

The Code provides methods and options for managing students in the classroom and on school grounds, disciplining students, and preventing and intervening in student discipline problems.

The law requires the district to define misconduct that may—or must—result in a range of specific disciplinary consequences including removal from a regular classroom or campus, out-of-school suspension, placement in a disciplinary alternative education program (DAEP), placement in a juvenile justice alternative education program (JJAEP), or expulsion from school.

This Student Code of Conduct has been adopted by the Pampa ISD Board of Trustees and developed with the advice of the district-level committee. This Code provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. It remains in effect during summer school and at all school-related events and activities outside the school year until an updated version adopted by the board becomes effective for the next school year.

In accordance with state law, the Code shall be posted at each school campus or shall be available for review at the office of the campus principal. Additionally, the Code shall be available at the office of the campus behavior coordinator and posted on the district’s website. Parents shall be notified of any conduct violation that may result in a student being suspended, placed in a DAEP or JJAEP, expelled, or taken into custody by a law enforcement officer under Chapter 37 of the Education Code.

Because the Student Code of Conduct is adopted by the district’s board of trustees, it has the force of policy; therefore, in case of conflict between the Code and the Student Handbook, the Code shall prevail.

Please note: The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.
School District Authority and Jurisdiction

School rules and the authority of the district to administer discipline apply whenever the interest of the district is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities.

The district has disciplinary authority over a student:

1. During the regular school day and while the student is going to and from school or a school-sponsored or school-related activity on district transportation;
2. During lunch periods in which a student is allowed to leave campus;
3. While the student is in attendance at any school-related activity, regardless of time or location;
4. For any school-related misconduct, regardless of time or location;
5. When retaliation against a school employee, board member, or volunteer occurs or is threatened, regardless of time or location;
6. When a student engages in cyberbullying, as provided by Education Code 37.0832;
7. When criminal mischief is committed on or off school property or at a school-related event;
8. For certain offenses committed within 300 feet of school property as measured from any point on the school’s real property boundary line;
9. For certain offenses committed while on school property or while attending a school-sponsored or school-related activity of another district in Texas;
10. When the student commits a felony, as provided by Education Code 37.006 or 37.0081; and
11. When the student is required to register as a sex offender.

Campus Behavior Coordinator

As required by law, a person at each campus must be designated to serve as the campus behavior coordinator. The designated person may be the principal of the campus or any other campus administrator selected by the principal. The campus behavior coordinator is primarily responsible for maintaining student discipline. The district shall post on its website and in the Student Handbook, for each campus, the email address and telephone number of the person serving as campus behavior coordinator. Contact information may be found at www.pampaisd.net.

Threat Assessment and Safe and Supportive School Team

The campus behavior coordinator or other appropriate administrator will work closely with the campus threat assessment safe and supportive school team to implement the district’s threat assessment policy and procedures, as required by law, and shall take appropriate disciplinary action in accordance with the Code of Conduct.

Searches

District officials may conduct searches of students, their belongings, and their vehicles in accordance with state and federal law and district policy. Searches of students shall be conducted in a reasonable and nondiscriminatory manner. Refer to the district’s policies at FNF(LEGAL) and FNF(LOCAL) for more information regarding investigations and searches.
The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable suspicion to believe it contains articles or materials prohibited by the district.

Desks, lockers, district-provided technology, and similar items are the property of the district and are provided for student use as a matter of convenience. District property is subject to search or inspection at any time without notice.

**Reporting Crimes**

The principal or behavior coordinator and other school administrators as appropriate shall report crimes as required by law and shall call local law enforcement when an administrator suspects that a crime has been committed on campus.

**Security Personnel**

To ensure sufficient security and protection of students, staff, and property, the board collaborates with the Pampa Police Department. In accordance with law, the board has coordinated with the campus behavior coordinator and other district employees to ensure appropriate law enforcement duties are assigned to security staff. The law enforcement duties of district peace officers are listed in policy CKE(LOCAL). The law enforcement duties of school resource officers are to help serve and protect the students of Pampa ISD.

**“Parent” Defined**

Throughout the Code of Conduct and related discipline policies, the term “parent” includes a parent, legal guardian, or other person having lawful control of the child.

**Participating in Graduation Activities**

The district has the right to limit a student’s participation in graduation activities for violating the district’s Code.

Participation might include a speaking role, as established by district policy and procedures.

Students eligible to give the opening and closing remarks at graduation shall be notified by the campus principal. Notwithstanding any other eligibility requirements, in order to be considered as an eligible student to give the opening or closing remarks, a student shall not have engaged in any misconduct in violation of the district’s Code resulting in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

The valedictorian and salutatorian may also have speaking roles at graduation. No student shall be eligible to have such a speaking role if he or she engaged in any misconduct in violation of the district’s Code resulting in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

**Unauthorized Persons**

In accordance with Education Code 37.105, a school administrator, school resource officer (SRO), or district police officer shall have the authority to refuse entry or eject a person from district property if the person refuses to leave peaceably on request and:
1. The person poses a substantial risk of harm to any person; or
2. The person behaves in a manner that is inappropriate for a school setting, and the person persists in the behavior after being given a verbal warning that the behavior is inappropriate and may result in refusal of entry or ejection.

Appeals regarding refusal of entry or ejection from district property may be filed in accordance with policies FNG(LOCAL) or GF(LOCAL), as appropriate. However, the timelines for the district’s grievance procedures shall be adjusted as necessary to permit the person to address the board in person within 90 days, unless the complaint is resolved before a board hearing.

See DAEP—Restrictions During Placement on page 22, for information regarding a student assigned to DAEP at the time of graduation.
Standards for Student Conduct

Each student is expected to:

- Demonstrate courtesy, even when others do not.
- Behave in a responsible manner, always exercising self-discipline.
- Attend all classes, regularly and on time.
- Prepare for each class; take appropriate materials and assignments to class.
- Meet district and campus standards of grooming and dress.
- Obey all campus and classroom rules.
- Respect the rights and privileges of students, teachers, and other district staff and volunteers.
- Respect the property of others, including district property and facilities.
- Cooperate with and assist the school staff in maintaining safety, order, and discipline.

Adhere to the requirements of the Student Code of Conduct. Chapter 37 requires the Code to include standards that schools expect from students. Modify the list to emphasize conduct the district would like to encourage.
General Conduct Violations

The categories of conduct below are prohibited at school, in vehicles owned or operated by the district, and at all school-related activities, but the list does not include the most severe offenses. In the subsequent sections on Out-of-School Suspension on page 16, DAEP Placement on page 18, Placement and/or Expulsion for Certain Offenses on page 25, and Expulsion on page 28, certain offenses that require or permit specific consequences are listed. Any offense, however, may be severe enough to result in Removal from the Regular Educational Setting as detailed in that section on page 14.

Disregard for Authority

Students shall not:

- Fail to comply with directives given by school personnel (insubordination).
- Leave school grounds or school-sponsored events without permission.

• Steal from students, staff, or the school.

*For weapons and firearms, see DAEP—Placement and/or Expulsion for Certain Offenses on page 25. In many circumstances, possession of these items is punishable by mandatory expulsion under federal or state law.

**Possession of Telecommunications or Other Electronic Devices**

Students shall not:

- Use a telecommunications device, including a cellular telephone, or other electronic device in violation of district and campus rules.

**Illegal, Prescription, and Over-the-Counter Drugs**

Students shall not:

- Be under the influence of prescription or over-the-counter drugs that cause impairment of the physical or mental faculties. (See glossary for “under the influence.”)
- Have or take prescription drugs or over-the-counter drugs at school other than as provided by district policy.

**Misuse of Technology Resources and the Internet**

Students shall not:

- Violate policies, rules, or agreements signed by the student or the student’s parent regarding the use of technology resources.
- Attempt to access or circumvent passwords or other security-related information of the district, students, or employees or upload or create computer viruses, including off school property if the conduct causes a substantial disruption to the educational environment.
- Attempt to alter, destroy, or disable district technology resources including, but not limited to, computers and related equipment, district data, the data of others, or other networks connected to the district’s system, including off school property if the conduct causes a substantial disruption to the educational environment.
- Use the internet or other electronic communications to threaten or harass district students, employees, board members, or volunteers, including off school property if the conduct
causes a substantial disruption to the educational environment or infringes on the rights of another student at school.

- Send, post, deliver, or possess electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another’s reputation, or illegal, including cyberbullying and “sexting,” either on or off school property, if the conduct causes a substantial disruption to the educational environment or infringes on the rights of another student at school.

- Use the internet or other electronic communication to engage in or encourage illegal behavior or threaten school safety, including off school property if the conduct causes a substantial disruption to the educational environment or infringes on the rights of another student at school.

**Safety Transgressions**

- Engage in actions or demonstrations that substantially disrupt or materially interfere with school activities.

- Repeatedly violate other communicated campus or classroom standards of conduct.

The district may impose campus or classroom rules in addition to those found in the Code. These rules may be posted in classrooms or given to the student and may or may not constitute violations of the Code.
Discipline Management Techniques

Discipline shall be designed to improve conduct and to encourage students to adhere to their responsibilities as members of the school community. Disciplinary action shall draw on the professional judgment of teachers and administrators and on a range of discipline management techniques, including restorative practices. Discipline shall be based on the seriousness of the offense, the student’s age and grade level, the frequency of misbehavior, the student’s attitude, the effect of the misconduct on the school environment, and statutory requirements.

The Board of Trustees recently adopted corporal punishment as a disciplinary technique within policy FO (LOCAL). Please contact your campus principal to complete forms or ask questions.

Students with Disabilities

The discipline of students with disabilities is subject to applicable state and federal law in addition to the Student Code of Conduct. To the extent any conflict exists, the district shall comply with federal law. For more information regarding discipline of students with disabilities, see policy FOF(LEGAL).

In accordance with the Education Code, a student who receives special education services may not be disciplined for conduct meeting the definition of bullying, cyberbullying, harassment, or making hit lists (see glossary) until an ARD committee meeting has been held to review the conduct.

In deciding whether to order suspension, DAEP placement, or expulsion, regardless of whether the action is mandatory or discretionary, the district shall take into consideration a disability that substantially impairs the student’s capacity to appreciate the wrongfulness of the student’s conduct.

Techniques

The following discipline management techniques may be used alone, in combination, or as part of progressive interventions for behavior prohibited by the Student Code of Conduct or by campus or classroom rules:

- Verbal correction, oral or written.
- Cooling-off time or a brief “time-out” period, in accordance with law.
- Seating changes within the classroom or vehicles owned or operated by the district.
- Temporary confiscation of items that disrupt the educational process.
- Rewards or demerits.
- Behavioral contracts.
- Counseling by teachers, school counselors, or administrative personnel.
- Parent-teacher conferences.
- Behavior coaching.
- Anger management classes.
- Mediation (victim-offender).
- Classroom circles.
• Family group conferencing.
• Grade reductions for cheating, plagiarism, and as otherwise permitted by policy.
• Detention, including outside regular school hours.
• Sending the student to the office or other assigned area, or to in-school suspension.
• Assignment of school duties, such as cleaning or picking up litter.
• Withdrawal of privileges, such as participation in extracurricular activities, eligibility for seeking and holding honorary offices, or membership in school-sponsored clubs and organizations.
• Penalties identified in individual student organizations’ extracurricular standards of behavior.
• Restriction or revocation of district transportation privileges.
• School-assessed and school-administered probation.
• Out-of-school suspension, as specified in Out-of-School Suspension on page 16.
• Placement in a DAEP, as specified in DAEP on page 18.
• Placement and/or expulsion in an alternative educational setting, as specified in Placement and/or Expulsion for Certain Offenses on page 25.
• Expulsion, as specified in Expulsion on page 28.
• Referral to an outside agency or legal authority for criminal prosecution in addition to disciplinary measures imposed by the district.

Prohibited Aversive Techniques

Aversive techniques are prohibited for use with students and are defined as techniques or interventions intended to reduce the reoccurrence of a behavior by intentionally inflicting significant physical or emotional discomfort or pain. Aversive techniques include:

• Using techniques designed or likely to cause physical pain, other than corporal punishment as permitted by district policy. [See policy FO(LOCAL).]
• Using techniques designed or likely to cause physical pain by electric shock or any procedure involving pressure points or joint locks.
• Directed release of noxious, toxic, or unpleasant spray, mist, or substance near a student’s face.
• Denying adequate sleep, air, food, water, shelter, bedding, physical comfort, supervision, or access to a restroom facility.
• Ridiculing or demeaning a student in a manner that adversely affects or endangers the learning or mental health of the student or constitutes verbal abuse.
• Employing a device, material, or object that immobilizes all four of a student’s extremities, including prone or supine floor restraint.
• Impairing the student’s breathing, including applying pressure to the student’s torso or neck or placing something in, on, or over the student’s mouth or nose or covering the student’s face.
• Restricting the student’s circulation.
• Securing the student to a stationary object while the student is standing or sitting.
• Inhibiting, reducing, or hindering the student’s ability to communicate.
• Using chemical restraints.
• Using time-out in a manner that prevents the student from being able to be involved in and progress appropriately in the required curriculum or any applicable individualized education program (IEP) goals, including isolating the student by the use of physical barriers.
• Depriving the student of one or more of the student’s senses, unless the technique does not cause the student discomfort or complies with the student’s IEP or behavior intervention plan (BIP).

Notification

The campus behavior coordinator shall promptly notify a student’s parent by phone or in person of any violation that may result in in-school or out-of-school suspension, placement in a DAEP, placement in a JJAEP, or expulsion. The campus behavior coordinator shall also notify a student’s parent if the student is taken into custody by a law enforcement officer under the disciplinary provisions of the Education Code. A good faith effort shall be made on the day the action was taken to provide to the student for delivery to the student’s parent written notification of the disciplinary action. If the parent has not been reached by telephone or in person by 5:00 p.m. of the first business day after the day the disciplinary action was taken, the campus behavior coordinator shall send written notification by U.S. Mail. If the campus behavior coordinator is not able to provide notice to the parent, the principal or designee shall provide the notice.

Before the principal or appropriate administrator assigns a student under age 18 to detention outside regular school hours, notice shall be given to the student’s parent to inform him or her of the reason for the detention and permit arrangements for necessary transportation.

Appeals

Questions from parents regarding disciplinary measures should be addressed to the teacher, campus administration, or campus behavior coordinator, as appropriate. Appeals or complaints regarding the use of specific discipline management techniques should be addressed in accordance with policy FNG(LOCAL). A copy of the policy may be obtained from the principal’s office, the campus behavior coordinator’s office, or the central administration office or through Policy On Line at the following address: www.pampaisd.net.

The district shall not delay a disciplinary consequence while a student or parent pursues a grievance.
Removal from the School Bus

A bus driver may refer a student to the principal’s office or the campus behavior coordinator’s office to maintain effective discipline on the bus. The principal or campus behavior coordinator must employ additional discipline management techniques, as appropriate, which can include restricting or revoking a student’s bus riding privileges.

Since the district’s primary responsibility in transporting students in district vehicles is to do so as safely as possible, the operator of the vehicle must focus on driving and not have his or her attention distracted by student misbehavior. Therefore, when appropriate disciplinary management techniques fail to improve student behavior or when specific misconduct warrants immediate removal, the principal or the campus behavior coordinator may restrict or revoke a student’s transportation privileges, in accordance with law.
Removal from the Regular Educational Setting

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

Routine Referral

A routine referral occurs when a teacher sends a student to the campus behavior coordinator’s office as a discipline management technique. The campus behavior coordinator shall employ alternative discipline management techniques, including progressive interventions. A teacher or administrator may remove a student from class for a behavior that violates this Code to maintain effective discipline in the classroom.

Formal Removal

A teacher may also initiate a formal removal from class if:

1. The student’s behavior has been documented by the teacher as repeatedly interfering with the teacher’s ability to teach his or her class or with the student’s classmates’ ability to learn; or
2. The behavior is so unruly, disruptive, or abusive that the teacher cannot teach, and the students in the classroom cannot learn.

Within three school days of the formal removal, the campus behavior coordinator or appropriate administrator shall schedule a conference with the student’s parent, the student, the teacher who removed the student from class, and any other appropriate administrator.

At the conference, the campus behavior coordinator or appropriate administrator shall inform the student of the alleged misconduct and the proposed consequences. The student shall have an opportunity to respond to the allegations.

When a student is removed from the regular classroom by a teacher and a conference is pending, the campus behavior coordinator or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP.

A teacher or administrator must remove a student from class if the student engages in behavior that under the Education Code requires or permits the student to be placed in a DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on DAEP or expulsion shall be followed.

Returning a Student to the Classroom

When a student has been formally removed from class by a teacher for conduct against the teacher containing the elements of assault, aggravated assault, sexual assault, aggravated sexual assault, murder, capital murder, or criminal attempt to commit murder or capital murder, the student may not be returned to the teacher’s class without the teacher’s consent.
When a student has been formally removed by a teacher for any other conduct, the student may be returned to the teacher’s class without the teacher’s consent if the placement review committee determines that the teacher’s class is the best or only alternative available.
Out-of-School Suspension

Misconduct

Students may be suspended for any behavior listed in the Code as a general conduct violation, DAEP offense, or expellable offense.

The district shall not use out-of-school suspension for students in grade 2 or below unless the conduct meets the requirements established in law.

A student below grade 3 or a student who is homeless shall not be placed in out-of-school suspension unless, while on school property or while attending a school-sponsored or school-related activity on or off school property, the student engages in:

- Conduct that contains the elements of a weapons offense, as provided in Penal Code Section 46.02 or 46.05;
- Conduct that contains the elements of assault, sexual assault, aggravated assault, or aggravated sexual assault, as provided by the Penal Code; or
- Selling, giving, or delivering to another person or possessing, using, or being under the influence of any amount of marijuana, an alcoholic beverage, or a controlled substance or dangerous drug as defined by federal or state law.

The district shall use a positive behavior program as a disciplinary alternative for students below grade 3 who commit general conduct violations instead of suspension or placement in a DAEP. The program shall meet the requirements of law.

Process

State law allows a student to be suspended for no more than three school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.

Before being suspended a student shall have an informal conference with the campus behavior coordinator or appropriate administrator, who shall advise the student of the alleged misconduct. The student shall have the opportunity to respond to the allegation before the administrator makes a decision.

The campus behavior coordinator shall determine the number of days of a student’s suspension, not to exceed three school days.

In deciding whether to order out-of-school suspension, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student’s disciplinary history,
4. A disability that substantially impairs the student’s capacity to appreciate the wrongfulness of the student’s conduct,
5. A student’s status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student’s status as homeless.
The appropriate administrator shall determine any restrictions on participation in school-sponsored or school-related extracurricular and cocurricular activities.

**Coursework During Suspension**

The district shall ensure a student receives access to coursework for foundation curriculum courses while the student is placed in in-school or out-of-school suspension, including at least one method of receiving this coursework that doesn’t require the use of the internet.

A student removed from the regular classroom to in-school suspension or another setting, other than a DAEP, will have an opportunity to complete before the beginning of the next school year each course the student was enrolled in at the time of removal from the regular classroom. The district may provide the opportunity by any method available, including a correspondence course, another distance learning option, or summer school. The district will not charge the student for any method of completion provided by the district.
Disciplinary Alternative Education Program (DAEP) Placement

The DAEP shall be provided in a setting other than the student’s regular classroom. An elementary school student may not be placed in a DAEP with a student who is not an elementary school student.

For purposes of DAEP, elementary classification shall be kindergarten–grade 5 and secondary classification shall be grades 6–12.

A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in a DAEP in addition to the expulsion.

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student’s disciplinary history,
4. A disability that substantially impairs the student’s capacity to appreciate the wrongfulness of the student’s conduct,
5. A student’s status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student’s status as homeless.

Discretionary Placement: Misconduct That May Result in DAEP Placement

A student may be placed in a DAEP for behaviors prohibited in the General Conduct Violations section of this Code.

Misconduct Identified in State Law

In accordance with state law, a student may be placed in a DAEP for any one of the following offenses:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide.
- Inciting violence against a student through group bullying.
- Releasing or threatening to release intimate visual material of a minor or of a student who is 18 years of age or older without the student’s consent.
- Involvement in a public school fraternity, sorority, or secret society, including participating as a member or pledge, or soliciting another person to become a pledge or member of a public school fraternity, sorority, secret society, or gang. (See glossary.)
- Involvement in criminal street gang activity. (See glossary.)
- Any criminal mischief, including a felony.
- Assault (no bodily injury) with threat of imminent bodily injury.
- Assault by offensive or provocative physical contact.

In accordance with state law, a student may be placed in a DAEP if the superintendent or the superintendent’s designee has reasonable belief (see glossary) that the student has engaged in conduct punishable as a felony, other than aggravated robbery or those listed as offenses in
Title 5 (see glossary) of the Penal Code, that occurs off school property and not at a school-sponsored or school-related event, if the student’s presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

The campus behavior coordinator may, but is not required to, place a student in a DAEP for off-campus conduct for which DAEP placement is required by state law if the administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

**Mandatory Placement: Misconduct That Requires DAEP Placement**

A student must be placed in a DAEP if the student:

- Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school. (See glossary.)
- Commits the following offenses on school property or within 300 feet of school property as measured from any point on the school’s real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:
  - Engages in conduct punishable as a felony.
  - Commits an assault (see glossary) under Penal Code 22.01(a)(1).
  - Sells, gives, or delivers to another person, or possesses, uses, or is under the influence of marijuana, a controlled substance, or a dangerous drug in an amount not constituting a felony offense. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision. (School-related felony drug offenses are addressed in Expulsion on page 28.) (See glossary for “under the influence.”)
  - Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol, if the conduct is not punishable as a felony offense. (School-related felony alcohol offenses are addressed in Expulsion on page 28.)
  - Behaves in a manner that contains the elements of an offense relating to abusable volatile chemicals.
  - Behaves in a manner that contains the elements of the offense of public lewdness or indecent exposure. (See glossary.)
  - Engages in conduct that contains the elements of an offense of harassment against an employee under Penal Code 42.07(a)(1), (2), (3), or (7).
- Engages in expellable conduct and is between six and nine years of age.
- Commits a federal firearms violation and is younger than six years of age.
- Engages in conduct that contains the elements of the offense of retaliation against any school employee or volunteer on or off school property. (Committing retaliation in combination with another expellable offense is addressed in Expulsion on page 28.)
- Engages in conduct punishable as aggravated robbery or a felony listed under Title 5 (see glossary) of the Penal Code when the conduct occurs off school property and not at a school-sponsored or school-related event and:
1. The student receives deferred prosecution (see glossary),
2. A court or jury finds that the student has engaged in delinquent conduct (see glossary), or
3. The superintendent or designee has a reasonable belief (see glossary) that the student engaged in the conduct.

**Sexual Assault and Campus Assignments**

If a student has been convicted of continuous sexual abuse of a young child or children or convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus, and if the victim’s parent or another person with the authority to act on behalf of the victim requests that the board transfer the offending student to another campus, the offending student shall be transferred to another campus in the district. If there is no other campus in the district serving the grade level of the offending student, the offending student shall be transferred to a DAEP.

**Process**

Removals to a DAEP shall be made by the campus behavior coordinator.

**Conference**

When a student is removed from class for a DAEP offense, the campus behavior coordinator or appropriate administrator shall schedule a conference within three school days with the student’s parent, the student, and the teacher, in the case of a teacher removal.

At the conference, the campus behavior coordinator or appropriate administrator shall inform the student, orally or in writing, of the reasons for the removal and shall give the student an explanation of the basis for the removal and an opportunity to respond to the reasons for the removal.

Following valid attempts to require attendance, the district may hold the conference and make a placement decision regardless of whether the student or the student’s parents attend the conference.

**Consideration of Mitigating Factors**

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student’s disciplinary history,
4. A disability that substantially impairs the student’s capacity to appreciate the wrongfulness of the student’s conduct, or
5. A student’s status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student’s status as homeless.
**Placement Order**

After the conference, if the student is placed in the DAEP, the campus behavior coordinator shall write a placement order. A copy of the DAEP placement order shall be sent to the student and the student’s parent.

Not later than the second business day after the conference, the board’s designee shall deliver to the juvenile court a copy of the placement order and all information required by Section 52.04 of the Family Code.

If the student is placed in the DAEP and the length of placement is inconsistent with the guidelines included in this Code, the placement order shall give notice of the inconsistency.

**Coursework Notice**

The parent or guardian of a student placed in DAEP shall be given written notice of the student’s opportunity to complete a foundation curriculum course in which the student was enrolled at the time of removal and which is required for graduation, at no cost to the student. The notice shall include information regarding all methods available for completing the coursework.

**Length of Placement**

The campus behavior coordinator shall determine the duration of a student’s placement in a DAEP.

The duration of a student’s placement shall be determined case by case based on the seriousness of the offense, the student’s age and grade level, the frequency of misconduct, the student’s attitude, and statutory requirements.

The maximum period of DAEP placement shall be one calendar year, except as provided below.

Unless otherwise specified in the placement order, days absent from a DAEP shall not count toward fulfilling the total number of days required in a student’s DAEP placement order.

The district shall administer the required pre- and post-assessments for students assigned to DAEP for a period of 90 days or longer in accordance with established district administrative procedures for administering other diagnostic or benchmark assessments.

**Exceeds One Year**

Placement in a DAEP may exceed one year when a review by the district determines that the student is a threat to the safety of other students or to district employees.

The statutory limitations on the length of a DAEP placement do not apply to a placement resulting from the board’s decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

**Exceeds School Year**

Students who commit offenses requiring placement in a DAEP at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement.
For placement in a DAEP to extend beyond the end of the school year, the campus behavior coordinator or the board’s designee must determine that:

1. The student’s presence in the regular classroom or campus presents a danger of physical harm to the student or others, or
2. The student has engaged in serious or persistent misbehavior (see glossary) that violates the district’s Code.

**Exceeds 60 Days**

For placement in a DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student’s parent shall be given notice and the opportunity to participate in a proceeding before the board or the board’s designee.

**Appeals**

Questions from parents regarding disciplinary measures should be addressed to the campus administration.

Student or parent appeals regarding a student’s placement in a DAEP should be addressed in accordance with policy FNG(LOCAL). A copy of this policy may be obtained from the principal’s office, the campus behavior coordinator’s office, the central administration office, or through Policy On Line at the following address: www.pampaisd.net.

Student or parent appeals regarding a student’s placement in a DAEP should be addressed in accordance with FNG(LOCAL). A copy of this policy may be obtained from the principal’s office, the campus behavior coordinator’s office, the central administration office, or through Policy On Line at the following address: (www.pampaisd.net).

Appeals shall begin at (Level One with the lowest administrator who has the authority to remedy the alleged problem.)

The district shall not delay disciplinary consequences pending the outcome of an appeal. The decision to place a student in a DAEP cannot be appealed beyond the board.

**Restrictions During Placement**

The district does not permit a student who is placed in a DAEP to participate in any school-sponsored or school-related extracurricular or cocurricular activity, including seeking or holding honorary positions and/or membership in school-sponsored clubs and organizations.

A student placed in a DAEP shall not be provided transportation unless he or she is a student with a disability who is entitled to transportation in accordance with the student’s individualized education program (IEP) or Section 504 plan.
Placement Review
A student placed in a DAEP shall be provided a review of his or her status, including academic status, by the campus behavior coordinator or the board’s designee at intervals not to exceed 120 days. In the case of a high school student, the student’s progress toward graduation and the student’s graduation plan shall also be reviewed. At the review, the student or the student’s parent shall be given the opportunity to present arguments for the student’s return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher’s consent.

Additional Misconduct
If during the term of placement in a DAEP the student engages in additional misconduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator may enter an additional disciplinary order as a result of those proceedings.

Notice of Criminal Proceedings
When a student is placed in a DAEP for certain offenses, the office of the prosecuting attorney shall notify the district if:

1. Prosecution of a student’s case was refused for lack of prosecutorial merit or insufficient evidence and no formal proceedings, deferred adjudication (see glossary), or deferred prosecution will be initiated; or
2. The court or jury found a student not guilty, or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a DAEP for such conduct, on receiving the notice from the prosecutor, the superintendent or designee shall review the student’s placement and schedule a review with the student’s parent not later than the third day after the superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student’s parent, the superintendent or designee may continue the student’s placement if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

The student or the student’s parent may appeal the superintendent’s decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board shall, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student’s parent, and the superintendent or designee, and confirm or reverse the decision of the superintendent or designee. The board shall make a record of the proceedings.

If the board confirms the decision of the superintendent or designee, the student and the student’s parent may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.
Withdrawal During Process

When a student violates the district’s Code in a way that requires or permits the student to be placed in a DAEP and the student withdraws from the district before a placement order is completed, the campus behavior coordinator may complete the proceedings and issue a placement order. If the student then re-enrolls in the district during the same or a subsequent school year, the district may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district. If the campus behavior coordinator or the board fails to issue a placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a placement order.

Newly Enrolled Students

The district shall decide on a case-by-case basis whether to continue the placement of a student who enrolls in the district and was assigned to a DAEP in an open-enrollment charter school or another district. The district may place the student in the district’s DAEP or a regular classroom setting.

A newly enrolled student with a DAEP placement from a district in another state shall be placed as any other newly enrolled student if the behavior committed is a reason for DAEP placement in the receiving district.

If the student was placed in a DAEP by a school district in another state for a period that exceeds one year, this district, by state law, shall reduce the period of the placement so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year if the district determines that the student is a threat to the safety of other students or employees or the extended placement is in the best interest of the student.

Emergency Placement Procedure

When an emergency placement is necessary because the student’s behavior is so unruly, disruptive, or abusive that it seriously interferes with classroom or school operations, the student shall be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student shall be given the appropriate conference required for assignment to a DAEP.

Transition Services

In accordance with law and district procedures, campus staff shall provide transition services to a student returning to the regular classroom from an alternative education program, including a DAEP. See policy FOCA(LEGAL) for more information.
Placement and/or Expulsion for Certain Offenses

This section includes two categories of offenses for which the Education Code provides unique procedures and specific consequences.

Registered Sex Offenders

Upon receiving notification in accordance with state law that a student is currently required to register as a sex offender, the district must remove the student from the regular classroom and determine appropriate placement unless the court orders JJAEP placement.

If the student is under any form of court supervision, including probation, community supervision, or parole, the placement shall be in either DAEP or JJAEP for at least one semester.

If the student is not under any form of court supervision, the placement may be in DAEP or JJAEP for one semester or the placement may be in a regular classroom. The placement may not be in the regular classroom if the board or its designee determines that the student’s presence:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interests of the district’s students.

Review Committee

At the end of the first semester of a student’s placement in an alternative educational setting and before the beginning of each school year for which the student remains in an alternative placement, the district shall convene a committee, in accordance with state law, to review the student’s placement. The committee shall recommend whether the student should return to the regular classroom or remain in the placement. Absent a special finding, the board or its designee must follow the committee’s recommendation.

The placement review of a student with a disability who receives special education services must be made by the ARD committee.

Newly Enrolled Student

If a student enrolls in the district during a mandatory placement as a registered sex offender, the district may count any time already spent by the student in a placement or may require an additional semester in an alternative placement without conducting a review of the placement.

Appeal

A student or the student’s parent may appeal the placement by requesting a conference between the board or its designee, the student, and the student’s parent. The conference is limited to the factual question of whether the student is required to register as a sex offender. Any decision of the board or its designee under this section is final and may not be appealed.

Certain Felonies

Regardless of whether placement or expulsion is required or permitted by one of the reasons in the DAEP Placement or Expulsion sections, in accordance with Education Code 37.0081, a
student may be expelled and placed in either DAEP or JJAEP if the board or campus behavior coordinator makes certain findings and the following circumstances exist in relation to aggravated robbery or a felony offense under Title 5 (see glossary) of the Penal Code. The student must:

- Have received deferred prosecution for conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been found by a court or jury to have engaged in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been charged with engaging in conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been referred to a juvenile court for allegedly engaging in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense; or
- Have received probation or deferred adjudication or have been arrested for, charged with, or convicted of aggravated robbery or a Title 5 felony offense.

The district may expel the student and order placement under these circumstances regardless of:

1. The date on which the student’s conduct occurred,
2. The location at which the conduct occurred,
3. Whether the conduct occurred while the student was enrolled in the district, or
4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct.

**Hearing and Required Findings**

The student must first have a hearing before the board or its designee, who must determine that in addition to the circumstances above that allow for the expulsion, the student’s presence in the regular classroom:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interest of the district’s students.

Any decision of the board or the board’s designee under this section is final and may not be appealed.

**Length of Placement**

The student is subject to the placement until:

1. The student graduates from high school,
2. The charges are dismissed or reduced to a misdemeanor offense, or
3. The student completes the term of the placement or is assigned to another program.

**Placement Review**

A student placed in a DAEP or JJAEP under these circumstances is entitled to a review of his or her status, including academic status, by the campus behavior coordinator or board’s designee at intervals not to exceed 120 days. In the case of a high school student, the student’s progress
toward graduation and the student’s graduation plan shall also be reviewed. At the review, the student or the student’s parent shall have the opportunity to present arguments for the student’s return to the regular classroom or campus.

**Newly Enrolled Students**

A student who enrolls in the district before completing a placement under this section from another school district must complete the term of the placement.
Expulsion

In deciding whether to order expulsion, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student’s disciplinary history,
4. A disability that substantially impairs the student’s capacity to appreciate the wrongfulness of the student’s conduct,
5. A student’s status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student’s status as homeless.

Discretionary Expulsion: Misconduct That May Result in Expulsion

Some of the following types of misconduct may result in mandatory placement in a DAEP, whether or not a student is expelled. (See DAEP Placement on page 18)

Any Location

A student may be expelled for:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide.
- Inciting violence against a student through group bullying.
- Releasing or threatening to release intimate visual material of a minor or of a student who is 18 years of age or older without the student’s consent.
- Conduct that contains the elements of assault under Penal Code 22.01(a)(1) in retaliation against a school employee or volunteer.
- Criminal mischief, if punishable as a felony.
- Engaging in conduct that contains the elements of one of the following offenses against another student:
  - Aggravated assault.
  - Sexual assault.
  - Aggravated sexual assault.
  - Murder.
  - Capital murder.
  - Criminal attempt to commit murder or capital murder.
  - Aggravated robbery.
- Breach of computer security. (See glossary)

Engaging in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school.
**At School, Within 300 Feet, or at a School Event**

A student may be expelled for committing any of the following offenses on or within 300 feet of school property, as measured from any point on the school’s real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:

- Selling, giving, or delivering to another person, or possessing, using, or being under the influence of marijuana, a controlled substance, or a dangerous drug, if the conduct is not punishable as a felony. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision. (See glossary for “under the influence.”)
- Selling, giving, or delivering to another person, or possessing, using, or being under the influence of alcohol; or committing a serious act or offense while under the influence of alcohol, if the conduct is not punishable as a felony.
- Engaging in conduct that contains the elements of an offense relating to abusable volatile chemicals.
- Engaging in conduct that contains the elements of assault under Section 22.01(a)(1) against an employee or a volunteer.
- Engaging in deadly conduct. (See glossary.)

**Within 300 Feet of School**

A student may be expelled for engaging in the following conduct while within 300 feet of school property, as measured from any point on the school’s real property boundary line:

- Aggravated assault, sexual assault, or aggravated sexual assault.
- Arson. (See glossary.)
- Murder, capital murder, or criminal attempt to commit murder or capital murder.
- Indecency with a child, aggravated kidnapping, manslaughter, criminally negligent homicide, or aggravated robbery.
- Continuous sexual abuse of a young child or children.
- Felony drug- or alcohol-related offense.
- Unlawfully carrying on or about the student’s person a handgun or a location-restricted knife, as these terms are defined by state law. (See glossary.)
- Possessing, manufacturing, transporting, repairing, or selling a prohibited weapon, as defined by state law. (See glossary.)
- Possession of a firearm, as defined by federal law. (See glossary.)

**Property of Another District**

A student may be expelled for committing any offense that is a state-mandated expellable offense if the offense is committed on the property of another district in Texas or while the student is attending a school-sponsored or school-related activity of a school in another district in Texas.
While in DAEP

A student may be expelled for engaging in documented serious misbehavior that violates the district’s Code, despite documented behavioral interventions while placed in a DAEP. For purposes of discretionary expulsion from a DAEP, serious misbehavior means:

1. Deliberate violent behavior that poses a direct threat to the health or safety of others;
2. Extortion, meaning the gaining of money or other property by force or threat;
3. Conduct that constitutes coercion, as defined by Section 1.07, Penal Code; or
4. Conduct that constitutes the offense of:
   a) Public lewdness under Penal Code 21.07;
   b) Indecent exposure under Penal Code 21.08;
   c) Criminal mischief under Penal Code 28.03;
   d) Hazing under Education Code 37.152; or
   e) Harassment under Penal Code 42.07(a)(1) of a student or district employee.

Mandatory Expulsion: Misconduct That Requires Expulsion

A student must be expelled under federal or state law for any of the following offenses that occur on school property or while attending a school-sponsored or school-related activity on or off school property:

Under Federal Law

- Bringing to school or possessing at school, including any setting that is under the district’s control or supervision for the purpose of a school activity, a firearm, as defined by federal law. (See glossary.)

Note: Mandatory expulsion under the federal Gun Free Schools Act does not apply to a firearm that is lawfully stored inside a locked vehicle, or to firearms used in activities approved and authorized by the district when the district has adopted appropriate safeguards to ensure student safety.

Under the Penal Code

- Unlawfully carrying on or about the student’s person the following, in the manner prohibited by Penal Code 46.02:
  - A handgun, defined by state law as any firearm designed, made, or adapted to be used with one hand. (See glossary.)
    Note: A student may not be expelled solely on the basis of the student’s use, exhibition, or possession of a firearm that occurs at an approved target range facility that is not located on a school campus, while participating in or preparing for a school-sponsored, shooting sports competition or a shooting sports educational activity that is sponsored or supported by the Parks and Wildlife Department, or a shooting sports sanctioning organization working with the department. [See policy FNCG(LEGAL).]
  - A location-restricted knife, as defined by state law. (See glossary.)
- Possessing, manufacturing, transporting, repairing, or selling a prohibited weapon, as defined in state law. (See glossary.)
• Behaving in a manner that contains elements of the following offenses under the Penal Code:
  ▪ Aggravated assault, sexual assault, or aggravated sexual assault.
  ▪ Arson. (See glossary.)
  ▪ Murder, capital murder, or criminal attempt to commit murder or capital murder.
  ▪ Indecency with a child.
  ▪ Aggravated kidnapping.
  ▪ Aggravated robbery.
  ▪ Manslaughter.
  ▪ Criminally negligent homicide.
  ▪ Continuous sexual abuse of a young child or children.
  ▪ Behavior punishable as a felony that involves selling, giving, or delivering to another person, or possessing, using, or being under the influence of marijuana, a controlled substance, a dangerous drug, or alcohol; or committing a serious act or offense while under the influence of alcohol.
• Engaging in retaliation against a school employee or volunteer combined with one of the above-listed mandatory expulsion offenses.

Under Age Ten

When a student under the age of ten engages in behavior that is expellable behavior, the student shall not be expelled, but shall be placed in a DAEP. A student under age six shall not be placed in a DAEP unless the student commits a federal firearm offense.

Process

If a student is believed to have committed an expellable offense, the campus behavior coordinator or other appropriate administrator shall schedule a hearing within a reasonable time. The student’s parent shall be invited in writing to attend the hearing.

Until a hearing can be held, the campus behavior coordinator or other administrator may place the student in:
• Another appropriate classroom.
• In-school suspension.
• Out-of-school suspension.
• DAEP.

Hearing

A student facing expulsion shall be given a hearing with appropriate due process. The student is entitled to:
1. Representation by the student’s parent or another adult who can provide guidance to the student and who is not an employee of the district,
2. An opportunity to testify and to present evidence and witnesses in the student’s defense, and
3. An opportunity to question the witnesses called by the district at the hearing.
4. After providing notice to the student and parent of the hearing, the district may hold the hearing regardless of whether the student or the student’s parent attends.

The board of trustees delegates to the Associate Superintendent authority to conduct hearings and expel students.

**Board Review of Expulsion**

After the due process hearing, the expelled student may request that the board review the expulsion decisions. The student or parent must submit a written request to the superintendent within seven days after receipt of the written decision. The superintendent must provide the student or parent written notice of the date, time, and place of the meeting at which the board will review the decision.

The board shall review the record of the expulsion hearing in a closed meeting unless the parent requests in writing that the matter be held in an open meeting. The board may also hear a statement from the student or parent and from the board’s designee.

The board shall hear statements made by the parties at the review and shall base its decision on evidence reflected in the record and any statements made by the parties at the review. The board shall make and communicate its decision orally at the conclusion of the presentation. Consequences shall not be deferred pending the outcome of the hearing.

**Expulsion Order**

Before ordering the expulsion, the board or campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student’s disciplinary history,
4. A disability that substantially impairs the student’s capacity to appreciate the wrongfulness of the student’s conduct,
5. A student’s status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student’s status as homeless.

If the student is expelled, the board or its designee shall deliver to the student and the student’s parent a copy of the order expelling the student.

Not later than the second business day after the hearing, the **Associate Superintendent** shall deliver to the juvenile court a copy of the expulsion order and the information required by Section 52.04 of the Family Code.

If the length of the expulsion is inconsistent with the guidelines included in the Student Code of Conduct, the expulsion order shall give notice of the inconsistency.
Length of Expulsion

The length of an expulsion shall be based on the seriousness of the offense, the student’s age and grade level, the frequency of misbehavior, the student’s attitude, and statutory requirements.

The duration of a student’s expulsion shall be determined on a case-by-case basis. The maximum period of expulsion is one calendar year, except as provided below.

An expulsion may not exceed one year unless, after review, the district determines that:

1. The student is a threat to the safety of other students or to district employees, or
2. Extended expulsion is in the best interest of the student.

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the superintendent may modify the length of the expulsion on a case-by-case basis.

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.

Withdrawal During Process

When a student has violated the district’s Code in a way that requires or permits expulsion from the district and the student withdraws from the district before the expulsion hearing takes place, the district may conduct the hearing after sending written notice to the parent and student.

If the student then re-enrolls in the district during the same or subsequent school year, the district may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another district.

If the campus behavior coordinator or the board fails to issue an expulsion order after the student withdraws, the next district in which the student enrolls may complete the proceedings.

Additional Misconduct

If during the expulsion, the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator or the board may issue an additional disciplinary order as a result of those proceedings.

Restrictions During Expulsion

Expelled students are prohibited from being on school grounds or attending school-sponsored or school-related activities during the period of expulsion.

No district academic credit shall be earned for work missed during the period of expulsion unless the student is enrolled in a JJAEP or another district-approved program.
Newly Enrolled Students

The district shall decide on a case-by-case basis the placement of a student who is subject to an expulsion order from another district or an open-enrollment charter school upon enrollment in the district.

If a student expelled in another state enrolls in the district, the district may continue the expulsion under the terms of the expulsion order, may place the student in a DAEP for the period specified in the order, or may allow the student to attend regular classes if:

1. The out-of-state district provides the district with a copy of the expulsion order, and
2. The offense resulting in the expulsion is also an expellable offense in the district in which the student is enrolling.

If a student is expelled by a district in another state for a period that exceeds one year and the district continues the expulsion or places the student in a DAEP, the district shall reduce the period of the expulsion or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

1. The student is a threat to the safety of other students or district employees, or
2. Extended placement is in the best interest of the student.

Emergency Expulsion Procedures

When an emergency expulsion is necessary to protect persons or property from imminent harm, the student shall be given verbal notice of the reason for the action. Within ten days after the date of the emergency expulsion, the student shall be given appropriate due process required for a student facing expulsion.

DAEP Placement of Expelled Students

The district may provide educational services to any expelled student in a DAEP; however, educational services in the DAEP must be provided if the student is less than ten years of age.

Transition Services

In accordance with law and district procedures, campus staff shall provide transition services for a student returning to the regular classroom from placement in an alternative education program, including a DAEP or JJAEP. See policies FOCA(LEGAL) and FODA(LEGAL) for more information.

Pampa ISD Random Drug Testing Program
Board approved May 2016

Philosophy

Pampa ISD believes that participants who represent our school and community, their classmates and families, have an obligation to perform at the highest level of their ability and to behave in a manner that casts a positive light on everyone and everything they represent.

Illegal mood-altering chemicals are a health problem to many students and adults. They have a negative effect on behavior and learning. They are proven to be completely destructive of team concept and total development of the individual. They affect not only the person using, but also every other person involved.

Objectives

A. To allow students an opportunity to say “NO” to drugs.
B. To further the Pampa ISD’s important interest in preventing and deterring drug use among its school children.
C. To help maintain a drug-free school environment.
D. To reduce the risk of injuries or addiction.
E. To ensure that positive testing students are required to obtain drug counseling and/or education.
F. To further the Pampa ISD’s responsibilities as guardian and tutor of the children entrusted to its care.

Plan

A. All students who wish to participate in extracurricular activities at Pampa ISD must submit to the regulations of the Drug Testing Program. Approximately 1,000 students will be tested initially. A minimum of 75 students per month, drawn from a pool of all students involved in the Drug Testing Program, will be tested on a random selection basis.
B. The student and his or her parent/guardian must sign the drug testing authorization form.
C. A Third Party Administrator accredited with the State of Texas will be in charge of the entire testing procedure including random selection of students to be tested, collection of specimens, and analysis processes. Accepted immunological screening procedures and confirmation techniques will be used before positive results are reported.
D. Each student selected will be required to provide a urine sample to the supervising technician upon request.
E. After student numbers are drawn, they will be placed back into the pool.
F. A refusal to be tested will be treated as a positive test result.

G. Drugs for which testing may be conducted include: Amphetamines, Cocaine, Marijuana, Methamphetamines, Opiates, and other illegal drugs and controlled substances. (Tests may also be run for synthetic marijuana, commonly known as “spice”, “K2”, or other names, Steroids, and other over-the-counter substances that may cause impairment of physical and mental faculties).

H. This drug-testing program does not in any way seek to modify the Student Code of Conduct or regulations in Chapter 37 of the Education Code. If a student is involved in selling, giving, delivering, possessing, using, or being under the influence of marijuana, a controlled substance or a dangerous drug, Chapter 37 regulations will be followed. Student Code of Conduct policies are found in the Pampa ISD Student Code of Conduct.

Testing Procedures and Protocol

A. Random testing: All students in the Drug Testing Program in grades 7-12 will be placed in a pool making them eligible for testing during the entire school year (first day of school to the last day of school). A predetermined number of the participant’s names will be randomly selected from a computer program each month. They will be required to submit a urine sample immediately upon request. All specimens will be collected under the supervision of a technician, provided by the testing company, adhering to strict chain of custody procedures.

B. A student wishing to contest a positive test result may have the split sample of his or her original urinalysis tested by a lab approved by Pampa ISD.

C. The testing company will submit test results to the Superintendent or designee, who will notify the appropriate principal, director, and/or sponsor in writing.

D. The noncompliance by any student with the above testing procedures will be considered a violation of the policy. The noncompliance will also be reported to the principal, director, and/or sponsor.

E. Any student who refuses to be tested will be referred to the principal, director, and/or sponsor for removal from the extracurricular activities. The student’s parent/guardian will be notified of the student’s refusal to be tested and of the consequences of that refusal.

Confidentiality

A. The collection and coding of the specimen samples will be executed in a manner insuring total confidentiality and proper identification.

B. All test results shall be kept in confidential files separate from a student’s other educational records, and may be released to school personnel only on a “need to know” basis.

C. All test results will be destroyed when the student completes his or her enrollment in Pampa I.S.D. Test results are not transferrable to another school district.
D. Test results will not be turned over to any law enforcement authority unless compelled by court order or subpoena.

Consequences for Positive Results

A. First offense – The student testing positive in random drug testing will be suspended from participation from all competitive afterschool extracurricular practices, performances, competitions, and/or activities for 15 school days. The campus administrator acting as the drug testing campus contact will arrange for a conference between the student, parent/guardian, appropriate sponsor(s), at-risk counselor and the administrator to discuss the offense. The student will be required to participate weekly in at-risk counseling provided by the school or show proof of external counseling. Any costs resulting from outside counseling are the responsibility of the student and/or parent/guardian. If the results of the 15 school day test are negative, the student will be eligible to practice and participate in performances, competitions, and/or activities on the day following confirmation of a negative test. A student may return to practice prior to the 15 school day suspension upon receiving written doctor’s approval. The student will be required to test during each subsequent random testing sessions, for a minimum of one calendar year. If the 15 school day test is positive the result will be labeled a second offense.

B. Second Offense – The student testing positive in random drug testing will be suspended from participation from all competitive afterschool extracurricular practices, performances, competitions, and/or activities for 30 school days. The campus administrator acting as the drug testing campus contact will arrange for a conference between the student, parent/guardian, appropriate sponsor(s), at-risk counselor and the administrator to discuss the offense. The student will be required to participate weekly in at-risk counseling provided by the school or show proof of external counseling. Any costs resulting from outside counseling are the responsibility of the student and/or parent/guardian. If the results of the 30 school day test are negative, the student will be eligible to practice and participate in performances, competitions, and/or activities on the day following confirmation of a negative test. A student may return to practice prior to the 30 school day suspension upon receiving written doctor’s approval. The student will be required to test during each subsequent random testing sessions, for a minimum of one calendar year. If the 30 school day test is positive the results will be labeled a third offense.

C. Third Offense – The student testing positive in random drug testing will be suspended from participation from all competitive afterschool extracurricular practices, performances, competitions, and/or activities for a period of one (1) calendar year from the date of confirmation of the third positive drug test result. The administrator acting as the drug testing campus contact will arrange for a conference between the student,
parent/guardian, appropriate sponsor(s), at-risk counselor and the administrator to
discuss the offense. The student will be required to participate weekly in at-risk
counseling provided by the school or show proof of external counseling. Any costs
resulting from outside counseling are the responsibility of the student and/or
parent/guardian. Any positive test after the one year suspension will result in a one
calendar year suspension from the date of the test. The student will be required to test
during each subsequent random testing sessions.

*The term “extracurricular” will be understood to include but not limited to the following activities: Band, Color Guard, Cheerleading, Choir,
DECA, FFA, National Honor Society, One Act Play, Mascot, Speech and Debate, STEM, Student Council, Theatre Performances, and all UIL
competitive activities including team managers.
Pampa ISD
Responsible Use Technology Agreement

TECHNOLOGY RESOURCES

To prepare students for an increasingly technological society, The Pampa Independent School District ("Pampa ISD" or "District") provides an array of technology resources to its students and staff for educational and administrative purposes. The goal in providing these resources is to promote educational excellence in the District's schools by facilitating resource sharing, innovation, creativity, and communication with the support and supervision of parents, teachers, and staff. The use of these technology resources is a privilege, not a right.

This agreement sets forth the standards governing Pampa ISD staff and student use of those technology resources. This agreement also sets forth the rules under which authorized users may continue their access to and use of the resources. This agreement promotes the ethical, legal, and school-related use of the Pampa ISD Network “Network” and ensures Pampa ISD’s compliance with the Children's Internet Protection Act. Personal electronic devices will be governed under this agreement when such devices are attached to the Network.

Access to computers brings the potential availability of material that may not be considered to be of educational value into school setting. Pampa ISD firmly believes that the value of information, interaction, and research capabilities available outweighs the possibility that users may obtain material that is not consistent with the educational goals of the District.

DISTRICT RESPONSIBILITIES

Pampa ISD's Superintendent, Administrators, Director of Technology, and Teachers will serve to oversee the District's system and will work with the Texas Education Agency, Region 16 Education Service Center, and other agencies as necessary to ensure the safety of all users of the Network and Internet.

The Technology Department will establish a process for setting up individual accounts for storage of information, establish procedures for the storage of images, video, and music files, establish a training and information as needed, establish a district virus protection process, and coordinate other activities related to the use of the Network.

The District utilizes software designed to block access to certain Internet sites, and to monitor and log all activity of users of the Network, or otherwise act to verify or enforce compliance with District policies and purposes.

Disclaimer

Pursuant to the Children's Internet Protection Act, Pampa ISD uses filtering software to screen Internet sites for offensive material. The goal is to filter pages containing offensive, sexually explicit, and inappropriate material, including, but not limited to the following categories: Adult Content; Nudity; Sex; Gambling; Violence; Weapons; Hacking; Personals/Dating; Lingerie/Swimsuit; Racism/Hate; Obscene/Indecent/Vulgar; and Illegal/Questionable. Innocuous search requests may lead to sites with highly offensive content. Additionally, having an e-mail address may lead to receipt of unsolicited e-mail containing offensive content. With this in mind, the Pampa ISD reminds authorized users that accessing the Internet is done at the risk of the user. No filtering software is one hundred percent effective and it is possible that the software
could fail. In the event that the filtering software is unsuccessful and children and staff gain access to inappropriate and/or harmful material, Pampa ISD will not be liable. To minimize these risks, staff and student use of the Network is governed by this agreement. Furthermore, staff and students are responsible for seeking assistance in the event they need help in safely conducting Internet searches.

Definition of District Technology Resources

The District's computer systems and networks include any configuration of hardware and software. The systems and networks include all of the computer hardware, operating system software, application software, stored text, and data files. This includes electronic mail, local databases, externally accessed databases (such as the Internet), optical media, digital images, digitized information, communications technologies, and new technologies as they become available. The District reserves the right to monitor/review all technology resource activity.

All authorized users shall adhere to the provisions of this agreement (and any other applicable District policy, regulation or administrative directive) as a condition for continued use of the Network. It is a general policy of Pampa ISD to promote the use of computers in a manner that is responsible, legal and appropriate. This agreement is enacted anytime there is a connection to the District's hardwired or wireless network or from an outside lines such as Fiber, T-1, BRI, PRI, VPN, Dialup, DSL, Distance Learning Equipment, and other personal electronic devices.

TERMS AND CONDITIONS FOR USE OF THE PAMPA ISD NETWORK

The District will make training available to all users in the proper use of the system and a copy of the responsible use guidelines is available in the Pampa ISD Student Code of Conduct and on the Pampa ISD website. All training in the use of the District's system will emphasize the ethical use of this resource.

Teachers and other staff should help guide students in their use of the Network so that students will learn how Internet resources such as discussion boards, wikis, and blogs can provide valuable educational information from classrooms, schools, and other national and international sources.        • The District is providing e-mail access for the purpose of furthering its educational mission. 5. Any system user having been denied access rights may be reinstated with a limited access account to reduce the level of security risk to the system. Limits on this type of account may include time limitations, station access limitations, file access restrictions, and a revocation of Internet access privileges.

6. The Technology Department or District Administration has the right to prohibit any technology device without prior notification.

7. Student and staff members may be allowed network access using their personal devices. This access may be revoked at any time by the Technology Department.

Users will be responsible for following all copyright laws.
All authorized users are to promptly report any breaches of security, violations of responsible use, (including inadvertent access to prohibited sites), and the transmission of web addresses or e-mail information containing inappropriate material to the campus principal or Pampa ISD Technology staff member. Failure to report any incident promptly may subject the authorized user to corrective action consistent with the Disciplinary Code, District policies, or applicable directives.

Intentional attempts to degrade or disrupt system performance may be viewed as violations of Pampa ISD guidelines and, possibly, as criminal activity under applicable state and federal laws, including the Texas Penal Code, Computer Crimes, Chapter 33. This includes, but is not limited to uploading or creating of computer viruses, system break-in utilities, or system hacking programs. Vandalism as defined above will result in the cancellation of system use privileges and possible criminal prosecution. The party will be responsible for restitution of costs associated with system restoration, hardware, or software costs.

AUTHORIZED USER WEBSITES

The district will establish a Web site and will develop Web pages that will present information about the district. The district will have a designated Webmaster, responsible for maintaining the District Web site.

Schools and classes are encouraged to establish Web pages that present information about the school or class activities. The building principal or designee will be responsible for managing the school Web site. All sites must be for educational purposes.

Only authorized users may create web pages as a part of a campus or class activity.

• Pampa ISD is not liable for lost or corrupted data. While Pampa ISD utilizes backup software, users are encouraged to safeguard important files.

• Pampa ISD does not warrant that the Network will be error free or free of computer viruses.

• Pampa ISD is not responsible for any damage, physical or software based, that is incurred to personal devices while connected to the Network.

• In making use of these resources, authorized users agree to release Pampa ISD from all claims of any kind, including claims for direct or indirect, incidental, or consequential damages of any nature, arising from any use or inability to use the network, and from any claim for negligence in connection with the operation of the Network.

• The information available through the Internet may be inaccurate. Pampa ISD has no ability to maintain such information and has no authority over these materials. Pampa ISD makes no warranty of any kind, either express or implied, regarding the accuracy, quality, or validity of the data and/or information residing on or passing through the Network from outside networks.

• Use of the Network is at the risk of the authorized user.

SOCIAL MEDIA POLICY

Social media is a communication tool in the form of websites or applications that staff and students use to share information and exchange ideas. Pampa ISD understands the value of social media and encourages its use with the understanding that guidelines will be in place to protect district approved accounts/pages.

Users are responsible for their own behavior when communicating with social media. They will be held accountable for the content of the communications that they state/post on social media. Users are responsible for complying with the School District employee, student and conduct policies. Users may not disrupt the learning atmosphere, educational programs, school activities, and the rights of others.

The School District has the right, but not the duty, to inspect, review, retain, or remove electronic communication created, sent, displayed, received or stored on and over the School District network and to monitor, record, check, track, log, access or otherwise inspect its network system.

The School District is not held accountable for any content published using a personal social media account.

• Request must be submitted through Eduphoria Formspace
• All content must be moderated by requestor or campus approved delegate
Any employee publishing content to a district approved social media account/page agrees not to:

- Post material that Pampa ISD determines is threatening, harassing, illegal, obscene, defamatory, slanderous, or hostile to any individual or entity.
- Post phone numbers, email addresses or other confidential information of students, faculty, or any other person other than yourself. If you choose to post your own contact information for any reason, please be aware that the information will be available to the public and is, therefore subject to misuse.
- Post material that infringes on the rights of Pampa ISD or any individual or entity, including private, intellectual property or publication rights.

- Post chain letters, post the same comment multiple times, or otherwise distribute “spam” via Pampa ISD sponsored site.
- Allow any other individual or entity to use your identification for posting or viewing comments.
- Post comments under multiple names or using another person’s name.

It is the employee responsibility to ensure permission has been granted by the parent/guardian before posting a photo on a social media page.

For information regarding private communication using electronic media see Policy DH in the Employee Handbook.

Social Media Guidelines – Student

This Administrative Regulation applies to all School District environments, whether the social media is used on School District property, or beyond School District property (including but not limited to, at a third-party’s contracted property).

In addition to the regulations provided in the School District’s Social Media Policy, some guidelines include but are not limited to the following. The School District reserves the right to determine if any guideline not appearing in the list below constitutes acceptable or unacceptable social media use.

- Students must not promote or appear to promote illegal drugs, illegal activities, violence, drinking, and cyber bullying.
- Students must not impersonate or access another user’s account/page with or without permission.
- Students should state/post only what they want the world to see. Imagine your parents, teachers, and administrators visiting your social media. Essentially, once a student shares something it is likely available after (s)he removes it from the social media and could remain on the internet permanently.
- Students should comply with the rules that have been established for the School District’s educational social media when they use it.

INDEMNIFICATION
The authorized user indemnifies and holds Pampa ISD harmless from any claims, including attorney's fees, resulting from the user's activities while utilizing the Network that cause direct or indirect damage to the user, Pampa ISD, or third parties.

If a student fails to comply with the dress code, the principal will request that the student make the appropriate corrections. This may include changing into clothing provided by the school. If the student refuses to make the appropriate corrections, the student’s parent/guardian will be contacted for assistance in making the necessary corrections. If both the student and parent/guardian refuse, the student will be assigned to in-school suspension for the remainder of the day or until the problem is corrected. Repeated violations of the dress code will result in more serious disciplinary action. In all cases, appropriate disciplinary action will be administered in compliance with the Student Code of Conduct.
